

**MEMORANDUM
LOCAL AGENCY FORMATION COMMISSION**

TO: Local Agency Formation Commission

FROM: Stephen Lucas, Executive Officer

SUBJECT: **Agenda Item 2.3 – Renewal of Resolution in Support of Assembly Bill 361**

DATE: December 29, 2021 for the meeting of January 6, 2022

SUMMARY

Pursuant to Assembly Bill 361 (AB361), the Commission adopted Resolution No. 5 2021/22 allowing it to continue to conduct its meetings remotely finding that a Gubernatorial State of Emergency exists and the Commission determined, by majority vote, that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees, Commissioners or staff. This resolution expires every 30 days and the Commission must renew the resolution to allow remote meeting option.

Primary Differences

The primary differences between the Governor’s prior executive orders modifying Brown Act requirements and AB361 are:

- Local agency must allow the public to participate (listen/comment) in the meeting in real time. This means local agencies must clearly advertise the means by which members of the public can observe a public meeting or offer comment during a meeting remotely, via either a call-in or internet-based option. ***LAFCo meetings have consistently met this standard by allowing the public to view and comment on agenda items in real time via the Zoom meeting platform.***
- An individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the local legislative body that requires registration to log in to a teleconference, may be required to register as required by the third-party internet website or online platform to participate. ***LAFCo meetings have consistently met this standard, although we have requested participants to voluntarily identify themselves for the record and ease of communication.***

At this time, the Governor’s Proclamation of a State of Emergency-COVID executed on March 4, 2020, remains in effect. Additionally, the Governor’s State of Emergency-Dixie Fire executed on July 23, 2021, remains in effect. Furthermore, the State Department of Public Health [website](#) “*recommends universal mask use for indoor public settings, regardless of vaccination status.*”

To provide the Commission with the greatest flexibility to conduct its business in a safe manner, Staff is recommending the Commission adopt a resolution finding that the COVID 19 pandemic state of emergency remains in effect allowing Commission meetings to be conducted remotely.

Background

The Governor's existing Executive Orders (N-25-20, N-29-20, N-35-20) allowing for modifications to the Brown Act to address COVID pandemic concerns terminated on September 30, 2021. These modifications allowed local agencies to conduct remote meetings with minimal restrictions. In response to the continued pandemic health and safety concerns, as well as other potential emergencies such as fires, earthquakes or floods, Assembly Bill 361 (AB361) was signed by the Governor effective October 1, 2021, and allows for local agencies, under specified circumstances, to continue utilizing remote meetings under Brown Act modifications as previously done, provided they adopt a resolution declaring such. The current process can be distilled as follows:

1. An emergency situation arises. The specific nature of the emergency produces an imminent risk to public health and safety (pandemic, fire, floods, earthquakes, etc.)
2. A state of emergency is declared by the Governor (pursuant to §8625) or state/local officials continue to impose or recommend measures to promote social distancing.
3. A local agency wishes to meet remotely via teleconferencing as a result of the emergency. A meeting notice/agenda are produced and posted, with an agenda item dedicated to consideration of a resolution to transition to teleconferenced meetings.
4. A resolution is passed by majority vote determining that meeting in person would present imminent risks to the health or safety of attendees. This resolution is valid for 30 days.
5. 30 days later, if the state of emergency remains active, a local agency may act to *renew* its resolution effecting the transition to teleconferenced meetings by passing another resolution which includes findings that legislative body has both: 1) reconsidered the circumstances of the state of emergency, and 2) the state of emergency continues to directly impact the ability of the members or the public to meet safely in person.

Background – the Governor's Executive Orders:

Starting in March 2020, amid rising concern surrounding the spread of COVID-19 throughout communities in the state, California Governor Gavin Newsom issued a series of Executive Orders aimed at containing the Novel Coronavirus. These Executive Orders (N-25-20, N-29-20, N-35-20) collectively modified certain requirements created by the Ralph M. Brown Act ("the Brown Act"), the state's local agency public meetings law. The orders waived several requirements, including requirements in the Brown Act expressly or impliedly requiring the physical presence of members of the legislative body, the clerk or other personnel of the body, or of the public as a condition of participation in or for the purpose of establishing a quorum for a public meeting. Furthermore, the orders:

- waived the requirement that local agencies provide notice of each teleconference location from which a member of the legislative body will be participating in a public meeting (RETAINED in AB361),
- waived the requirement that each teleconference location be accessible to the public (RETAINED in AB361),
- waived the requirement that members of the public be able to address the legislative body at each teleconference location (NOW REQUIRED by AB361),
- waived the requirement that local agencies post agendas at all teleconference locations, (RETAINED in AB361) and,
- waived the requirement that at least a quorum of the members of the local body participate from locations within the boundaries of the territory over which the local body exercises jurisdiction. (RETAINED in AB361).

The Brown Act Executive Orders Sunset – September 30, 2021

On June 11, 2021, the Governor issued Executive Order N-08-21 which rescinds the aforementioned modifications made to the Brown Act, effective September 30, 2021. After that date, local agencies must adopt a resolution pursuant to AB361 to continue to conduct remote meetings with modified Brown Act requirements or they are required to observe all the usual Brown Act requirements as they existed prior to the issuance of the orders.

NEW AB 361 – Flexibility for Remote Open Meetings During a Proclaimed State Emergency

Assembly Bill 361 provides local agencies with the ability to continue to meet remotely under modified Brown Act requirements during proclaimed state emergencies with the adoption of resolution finding that either:

- 1) Open physical meetings present imminent risks to the health or safety of attendees; or
- 2) State/local officials recommend/require measures to promote social distancing.

These criteria permit a local agency to schedule a remote meeting to determine whether meeting in-person during the state of emergency would pose imminent risk to the health or safety of attendees. At that remote meeting, a local agency may determine by majority vote that sufficient risks exist to the health or safety of attendees as a result of the emergency and pass a resolution to that effect. These criteria also permit a local agency to meet remotely in the event that there is a state of emergency declaration while state or local officials have recommended or required measures to promote social distancing.

Renewal

AB 361 requires that the renewal of the resolution effecting the transition to the modified Brown Act requirements must be based on findings that the state of emergency declaration remains active, the local agency has thoughtfully reconsidered the circumstances of the state of emergency, and the local agency has either identified A) ongoing, direct impacts to the ability to meet safely in-person or B) active social distancing measures as directed by relevant state or local officials.
