LAFCO File No. 22-06 - City of Chico – Glenwood Avenue Annexation No. 3.

Proposed is the annexation of an approximately 42-acre island area and adjacent road right of way for the purpose of providing municipal services to existing development and to eliminate an "island of unincorporated territory" that is substantially surrounded by properties located within the incorporated limits of the City of Chico. County Service Area 36 (Glenn Haven Lighting) would be dissolved as part of the project as the City will assume responsibility for lighting service. The annexation territory is located west of the City of Chico on the east side of Glenwood Avenue, between State Route 32 and Oak Way. The territory is substantially surrounded by the City of Chico jurisdiction to the north, east and south.

This proposal is being conducted as an "island" annexation pursuant to the adopted Resolution of the City of Chico and cannot be denied by the Commission without substantial evidence being submitted to the Commission in writing that the proposal does not meet the requirements of California Government Code Section 56375.3. Objections to the regularity or sufficiency of the preliminary proceedings or the reasons why you are in opposition to the proposal must be in writing. Any objections must be filed with the Executive Officer or Commission prior to the conclusion of the hearing.
