As shown on the map provided, staff is slowly collecting more of these contracts in this area. We have an idea in our mind about how many more have to fill in before we approach the City about bringing forth an annexation.

Chair Leverenz stated there is a comment in the staff report that the City does not intend to annex this area at this time. Chair Leverenz asked if there has been any real discussion with the staff at the City of Chico as this area needs to be in the City. We need to let the City know if we get many more of these we better move to annex the whole area.

Steve Lucas stated staff has been meeting with the City about annexing this and more areas.

Commissioner Lotter wanted to confirm we are receiving the signed annexation covenants for these types of connections.

Steve Lucas stated if there are no objections he plans to start the recruitment within the next month. The goal is to have someone hired by late fall at the latest.

Steve Lucas stated he has had meetings with landowners wanting to form a new ground water district primarily north of Chico and all the white areas of the County. They would like to get water out of Lake Oroville and move it north to use it for the Vina area. The landowners are potentially going to come to LAFCO with a petition to begin the process to form the district. Steve Lucas provided a history of the GSA process to date.

❖ Butte Local Agency Formation Commission ❖ Minutes of August 2, 2018 ❖ Page 3 ❖

Commissioner McGreehan asked has there ever been an effort in Legislature to have the state fund CALAFCO since it is a state required program.

Steve Lucas stated to best of his knowledge there has never been a bill. We have introduced this concept into other bills as a part of discussions and that always dies flat. The State has never any interest in funding LAFCO. Steve Lucas provided an update to AB 2258.
