MEMORANDUM

TO: Local Agency Formation Commission
FROM: LAFCO Budget Committee
SUBJECT: Agenda Item 3.1 – Review and Consideration of Proposed Budget for Fiscal Year 2017/18
DATE: March 22, 2017 for the Meeting of April 4, 2017

Pursuant to Government Code Section §56381, please find attached the Proposed Budget for Fiscal Year 2017/18 as unanimously recommended for adoption by the Budget Committee.

Summary

On March 16, 2017, the Budget Committee met to review and discuss the Preliminary Budget for FY 2017/18. The Committee thoroughly considered the broad spectrum of fundamental responsibilities that LAFCO, as a regulatory body of the state, is expected to address beyond the specific processing of individual applications. With this perspective in mind, the Committee reviewed the current year budget projections and the preliminary budget numbers for FY 2017/18.

In addition to reviewing budget line items, the Committee's review was influenced by the following factors:

1. The Commission's recognition of the ever increasing roles that LAFCO's have in:
   - Assisting local agencies in the understanding of governance options and providing guidance to smaller agencies seeking to enhance their service capabilities;
   - Addressing local government functions and service delivery capabilities;
   - Identifying gaps in the provision of services throughout their Counties; and
   - Addressing an increasing number of legislative mandates to consider disadvantaged populations and seek improved options and opportunities for cooperation between agencies to include consolidations and mergers.

2. The Commission's continued desire to maintain a consistent core staff equivalent to 3.5 full-time employees, all of whom are experienced individuals who provide superior service levels and local agency assistance.

3. The Commission's understanding that although economic conditions are improving, local agency budgets are likely to remain financially challenging.
4. The Commission's diligent effort over the past ten years to implement cost saving measures, including employee furloughs, and conservatively increasing annual member agency apportionments on an average of 3%. In addition, the Commission has been persistent in that it continues to advise member agencies of its potential necessity to incrementally increase apportionments.

5. The Commission's fundamental interest in balancing its desired capability to meet statutory requirements (mandates) with the ability of contributing agencies to provide adequate levels of funding.

While not reflected in the proposed budget, considerable savings in Wages and Benefits will continue from staff participation in a voluntary furlough program that equals a 10-15% reduction in pay depending on position. Although this effort was initially implemented in FY 2008/09 as a flexible way to reduce personnel costs (approximately $325,560) and it allowed the agency to reasonably react to fluctuations in work load. Beginning in FY 2014/15, the Commission chose to adopt a budget that more transparently reflected this furlough reduction in Wages and Benefits.

**Budget Committee Proposal for FY 2017/18 Budget**

**Funding Sources**

The Proposed FY 2017/18 Budget totals $664,272 and reflects a minimal increase of 3% from the prior years' budget. Sources include:

- Interest - $5,000 accounting for 1%.

- Member Agency Apportionments - $604,372 accounting for 91%. While the Commission made an intentional effort in maintaining flat member agency apportionments for a number of years during the recession, it has consistently advised member agencies each year during the budget process and through adopted resolutions, that in order to achieve state mandated responsibilities consistent with GC 56381, the potential need to incrementally increase agency apportionments would inevitably be required to meet the Commission's expectations. The Budget Committee has recommended a 3% increase in the total budget which translates into a 3% increase to member agency apportionments, which is consistent with average increases over the past ten years.

- Charges for Services - $26,565 accounting for 4%.
• Miscellaneous Revenue - $6,000 accounting for 1%.

• MSR/SOI Trust Fund Transfer, $20,000 accounting for 3%.

Expenditures

• Wages and Benefits - $476,974 accounting for 71%.

• Services & Supplies - $153,717 accounting for 23%. Services & Supplies have been historically higher in previous years; however, the substantial cost savings can be contributed to the renegotiated office space lease in 2016.

• Appropriations - $46,000 accounting for 6%. Appropriations reflect an increase of $6,000 within the Reserve as recommended by the Committee, which represents a 1% increase in the total budget.

In addition, the public notice was also posted on Monday, March 13, 2017 at County Administration, LAFCO’s office and website.
