

May 2, 2019

Mr. Carl Leverenz, Chair
Butte Local Agency Formation Commission
1453 Downer Street, Suite C
Oroville, CA 95965

Dear Chair Leverenz:

On behalf of the California Association of Local Agency Formation Commissions (CALAFCO), we extend our sincere thanks to Butte LAFCo for its support and participation in CALAFCO.

Bill Connelly, Butte LAFCo Commissioner, currently serves on the CALAFCO Board and serves on a number of important committees including our legislative and ad hoc finance committees.

Butte LAFCo has also graciously allowed its Executive Officer, Stephen Lucas, to serve as CALAFCO Executive Officer and member of the Legislative Committee. Steve has served as CALAFCO regional staff since 2012, two years as Deputy Executive Officer and the past four years as the organization's Executive Officer.

During the past seven years, Steve's direct contributions to CALAFCO have been immeasurable, including Staff Workshop and Conference planning and presentations, serving on the legislative committee, participating in the authorship of white papers and representing CALAFCO to the Legislature and other state entities such as the Little Hoover Commission. Steve has consistently gone the extra mile to support CALAFCO continues to be an integral part of the staff team.

Steve is an extraordinary asset to CALAFCO. So much so in fact, that we would be honored and extremely grateful if Steve would continue to serve as CALAFCO's Executive Officer for another two-year term and respectfully request your consideration of our request.

As your Commission knows, CALAFCO relies primarily on its volunteer Board members and staff to carry out its business, and couldn't exist without the support of its members and individuals like Bill and Steve.

Should your Commission approve our request, I will inform the CALAFCO Board of this staff re-appointment at the Board meeting on May 10, 2019. I thank you for your consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read "Pamela Miller".

Pamela Miller
Executive Director, CALAFCO
