Butte LAFCO

Established Date: January 1, 2008

Deputy Executive Officer

Salary Range	
Hourly:	\$34.4499 - \$46.1661
Biweekly:	\$2,755.99 - \$3,693.29
Annually:	\$71,655.74 - \$96,025.56

Summary

Under general supervision, the Deputy Executive Officer performs and manages complex professional work in support of the Commission, including data collection and analysis; report preparation, public contact; and performs other duties, as assigned.

Distinguishing Characteristics

The Deputy Executive Officer is an “at will” employee who shall serve at the will of the LAFCO Executive Officer as provided by state law.

Essential Job Functions

Essential functions, as defined under the Americans with Disabilities Act, may include any of the following tasks, knowledge, skills and other characteristics. The list that follows is not intended as a comprehensive list; it is intended to provide a representative summary of the major duties and responsibilities. Incumbent(s) may not be required to perform all duties listed, and may be required to perform additional, position-specific tasks.

Duties may include but are not limited to the following:

- Supervises staff; manages contracts and consultants.
- Researches, compiles, synthesizes, analyzes and interprets information and data necessary to meet state law requirements and LAFCO policies and objectives.
- Reviews and analyzes complex proposals filed with LAFCO, conducts field investigations, makes recommendations and prepares and presents detailed and concise staff reports.
- Reviews, analyses, and prepares written comments on proposed development projects (i.e., tentative subdivision and parcel maps); land use documents (i.e., general plans) and California Environmental Quality Act (CEQA) documents (i.e., environmental impact review initial studies) that may require LAFCO action.
- Performs analysis relating to CEQA reviews and, as necessary, prepares CEQA documents necessary for LAFCO action.
- Conducts special studies, including Municipal Service Reviews and Sphere of Influence studies, involving inter-jurisdictional and inter-agency coordination, some of which may be complex, controversial and/or politically sensitive.
- Performs administrative functions such as developing fee schedules, surveys, and policies and procedures.
- Makes presentations and manages public participation/outreach processes relating to pending LAFCO proposals, programs, laws; and LAFCO Policies and Procedures.
- Prepare and provide staff reports with recommendations to the Commission, member agencies, and applicants.
- Develops maps, charts, and graphs used in planning studies and reports; compiles, arranges, analyzes and interprets data; conducts comparative studies of land use, population structure, economic structures; and prepares technical reports.
- Participates in LAFCO related organizations and professional associations.
- Excellent public speaking and writing skills; strong computer and project management skills.
- Acts as acting Executive Officer in the absence of the Executive Officer.
- Performs other duties, as assigned.

Required Knowledge and Skills

Knowledge of city, county, state and federal statutes, ordinances, codes, administrative orders, case law and other governing rules and regulation for member agencies and LAFCO planning.

- Knowledge of principles of land use regulations and strategic planning.
- Knowledge of complex project management procedures and techniques.
- Knowledge of California Environmental Review Process and the principles of land use planning.
- Knowledge of LAFCO and member agencies policies and procedures.
- Knowledge of research and statistical methods; public finance; public infrastructure; interagency relationships; Microsoft Office programs; web page design and maintenance; and geographic information system software.
- Skill in detection of discrepancies in plans, methods and processes.
- Skill in reading and interpreting relevant rules, regulations and applying them to complex projects.
- Skill in interpreting technical documents and map specifications.
- Skill in assessing and prioritizing multiple tasks, projects and demands.
- Skill in working with deadlines to complete projects and assignments.
- Skill in establishing and maintaining effective working relations with co-workers, member agencies and representatives of relevant agencies.
- Skill in operating a personal computer utilizing a variety of software.
- Skill in working within and providing information from GIS.
- Skill in analyzing problems, identifying solutions, recommending and implementing methods, procedures and technique resolutions.
- Skill in preparing complete, complex, comprehensive and accurate reports; assessing and prioritizing.
- Working ability to: Supervise, direct, coordinate and implement large and/or controversial projects; supervise, train and evaluate the work of subordinate staff; communicate effectively orally and in writing; collect, analyze and interpret data; formulate recommendations; solve complex problems; establish and maintain effective working relationships with elected officials, the public and staff of other agencies; meet deadlines; and, work independently.

Minimum Requirements-Education, Certifications and Licenses

- Bachelor's degree in Geography, Regional Planning, Environmental Studies, Public Administration, or any related field. A Master's degree is desirable. Additional experience or non-related degrees may be substituted for the required education and experience.
- Five (5) years experience in public sector planning. LAFCO experienced is preferred.
- A valid, unrestricted State of California driver's license.

Environmental Factors and Conditions/Physical Requirements

Work is performed in an office and field environment.
